

VAN STORAGE SOLUTIONS

GMC

WEATHERGUARD.COM

TABLE OF CONTENTS

When your van doors open, the job starts. Every shelf, bin, rack, and drawer needs to work in order. You need fast access, secure storage and, most of all, no wasted time. If your gear slows you down, the day slips behind.

*That's why **WEATHER GUARD**® van solutions are built from the work itself.*

*From crowded cargo spaces, long routes, rough roads, and the daily wear that breaks lesser systems. When the job hits hard, **WEATHER GUARD** responds with van storage engineered to hold up, lock down, and keep crews moving.*

We're inside the vans.

At the upfit shops.

On the jobsite... talking to and learning from pros like you.

*Your feedback shapes every shelf, bracket, lock, and layout. And **nothing** earns the **WEATHER GUARD** name until it's been proven in real vans, under real workloads, across real fleets.*

*From bulkheads to shelving, ladder racks to flooring, **WEATHER GUARD** delivers one integrated van platform, under one name, with one promise:*

A single source for professionals who demand organization, security, and reliability - van after van, route after route.

UPFIT GUIDE

The **WEATHER GUARD®** Van catalog is organized to help you work through the five zones of your van when planning your **WEATHER GUARD** storage system. The van layout figures on the next few pages provide details to get started working on your van's configuratoin. **WEATHER GUARD** PRO PACKAGES for each van roof height and wheel base combination can be used either as a complete upfit package or a starting point for a custom upfit. You're not on your own. **WEATHER GUARD** partners with a national network of upfitters, distributors, and dedicated fleet reps to ensure your fleet gets the right spec, the right install, and the right follow-through. Go to www.weatherguard.com to learn more.

ZONE 1 CAB

- Choose bulkhead style for your van.
- Do you need windows, vented screens or solid panels?
- Do you need a hinged door?
- What tools and equipment do you hang on your bulkhead?
- Do you need console storage?

ZONE 2 FLOOR

- Is your van equipped with a flat, even surface for work?

ZONE 3 UPRIGHT STORAGE

- Use Vehicle Fitting Guides to determine available space in van or start with a Professional Trade Package. Find the OEM Van Brochure for your model van at www.weatherguard.com/van.
- Choose shelving units that fit your daily work needs.
- What cabinets, bins and organization accessories would help you be more productive?
- Do you need to keep a space open along the side of the van for special tools or equipment?

ZONE 4 PULLOUT STORAGE

- **PACK RAT®** Drawer Units and **ITEMIZER®** Drawer Units mount to the floor of the van and provide easy access to tools, parts and equipment.
- What space do you need to keep open between the shelving for equipment you store in your van or transport to your jobsite?

ZONE 5 ROOF

- What do you carry on your roof and how often do you need to reach it?
- How tall is your van roof? Low, Mid or High?
- Check your van manufacturer's web site for how much weight it can safely carry.
- Choose from **EZGlide2™ Drop-Down**, **QUICK CLAMP®**, **SAFARI RACK** or **All-Purpose Racks** for your best roof storage solution.
- Consider roof rack accessories like conduit carriers and tie downs.

VAN INTERIOR DIMENSIONS FITTING GUIDE

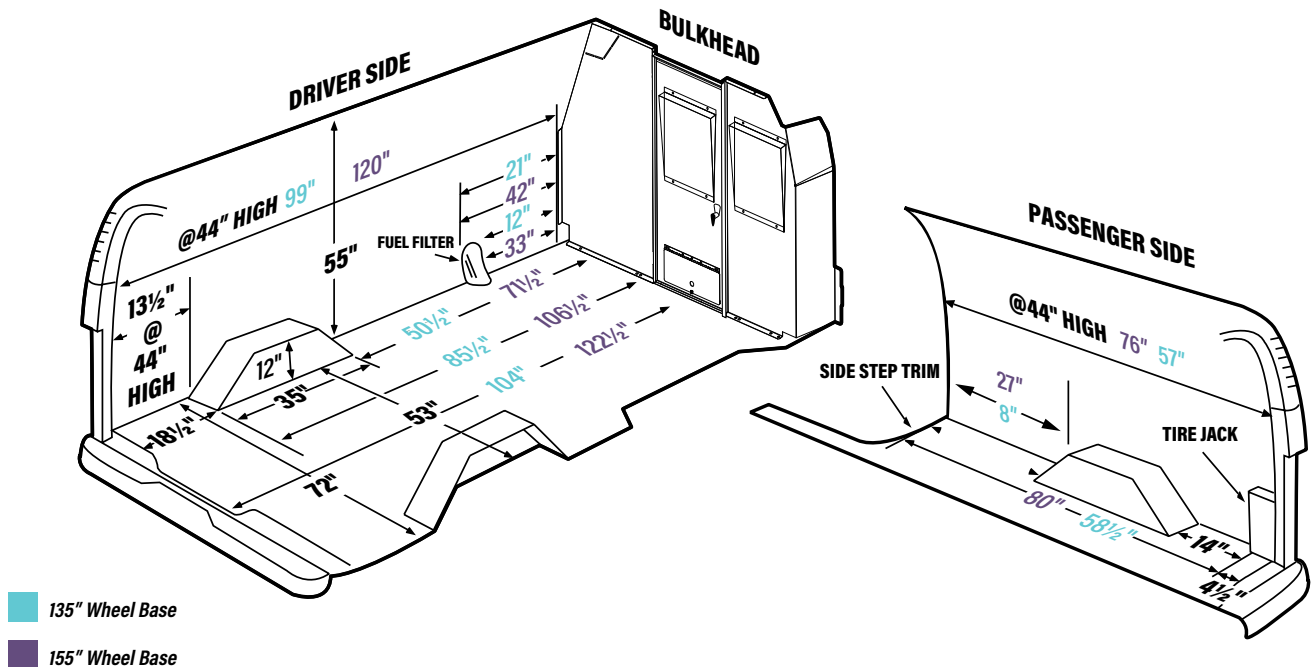

FORD TRANSIT

The dimensions shown in this guide refer to model year 2025 and earlier Ford Transit vans.

CHEVROLET EXPRESS • GMC SAVANA

The dimensions shown in this guide refer to model year 2025 and earlier Chevrolet Express and GMC Savana vans.

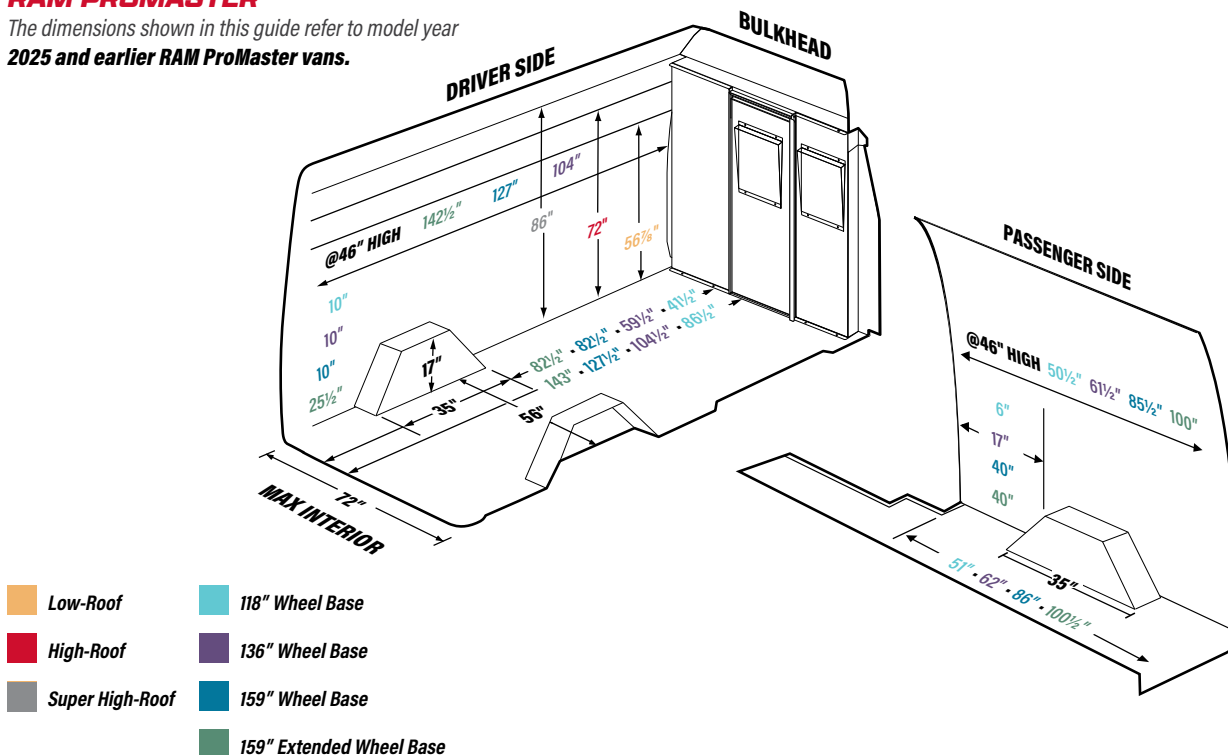

IMPORTANT UPFIT TIPS

- Always measure your van carefully to make sure that the equipment you choose will fit properly.
- Verify the location of the gas tank, brake lines, wiring harness, etc. before installing any equipment.
- Shelving Mounting Kits are recommended.
- Do not exceed the van manufacturer's roof load rating.

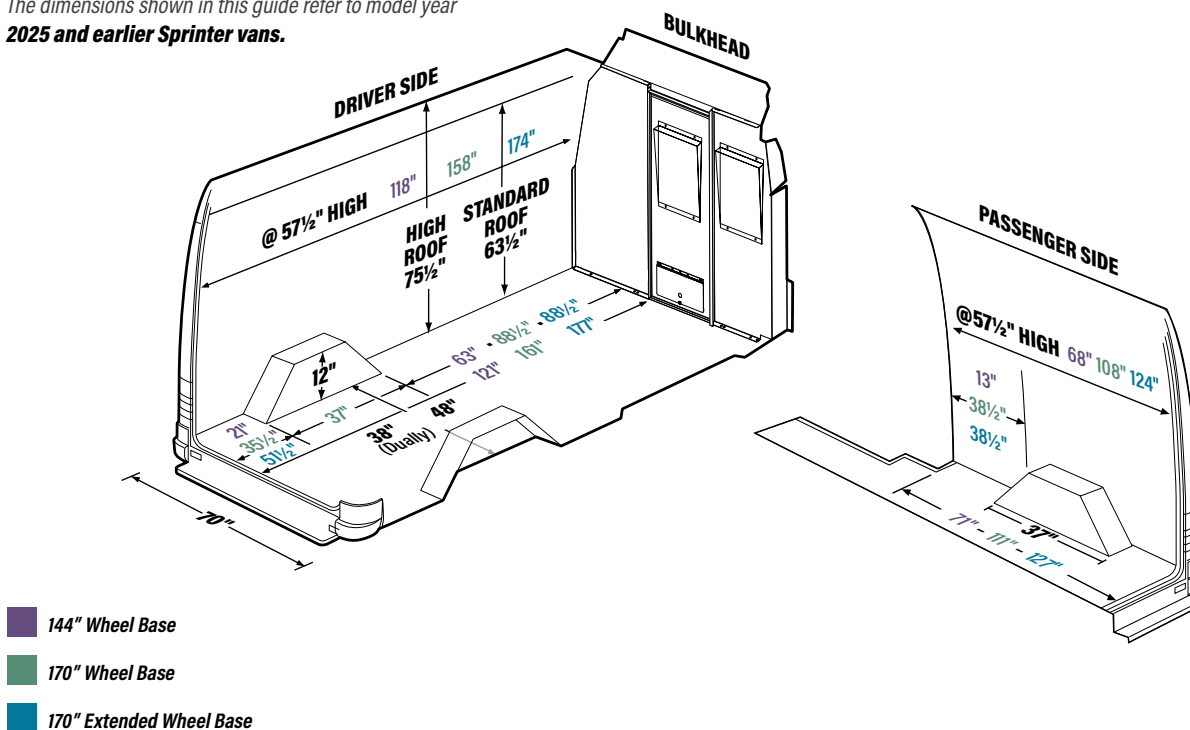

RAM PROMASTER[®]

The dimensions shown in this guide refer to model year 2025 and earlier RAM ProMaster vans.

MERCEDES SPRINTER

The dimensions shown in this guide refer to model year 2025 and earlier Sprinter vans.

FLOORING

RIGID FLOORING

WEATHER GUARD® Rigid Flooring turns every inch of your van into a tough, safe, high-performance surface you can count on. This flat, non-slip surface keeps you steady and safe as you move in and out, and Hi-Viz sills help reduce missteps on the job. Built to last the entire life of your upfit, it's the upgrade that lets you focus on work - not your footing. And when it comes to installation, we keep it simple: everything you need ships in one box, under one item number, for a perfect fit every time.

RIGID FLOORING

NON-SLIP RUBBER OVERLAY

Stands up to the toughest jobs

FLAT, EVEN SURFACE

That lasts the life of your upfit

Model RFFT48-5-01 ▲

SILLS AND FLOORING INCLUDED

Everything you needs comes
in one box

HI-VIZ NO-SLIP RED SILLS

Included for extra safety when entering
and exiting the van

BUILT TO LAST

Durable, rigid flooring that lasts the
life of your upfit

CONFIDENCE IN EVERY STEP

A work surface with a non-slip grip
and hi-visibility sill plates

CONVENIENCE

Order one sku and receive the flooring
and sill plates in one box

FLOOR MATS

Protect your van's floor from spills, dirt, and water with our selection of van floor mats. These cargo van accessories are designed to fit with specific van and wheelbase configurations, with custom cuts for different makes and models. Protect your van's floor from normal wear and tear as well as moisture from rain and snow.

BULKHEADS

COMPOSITE BULKHEADS

Composite bulkheads provide separation from the driver compartment and storage area, protecting the driver against shifting loads. This lighter solution with a tighter fit improves noise and climate control while the revolutionary design enhances driver comfort and provides a more functional space.

CAB/CARGO SEPARATION

Protects you from loose objects in the cargo area.

INCREASED CAB SPACE

Allows for full seat travel with maximized recline.
Provides additional storage and work space.
Approximately 11" driver side, 6" passenger side.
Extra room for movement.

NOISE REDUCTION

Tight fit decreases noise from the cargo area.

COMPOSITE BULKHEADS [CONT'D]

WEATHER GUARD® Composite Bulkhead provides custom organization, increased cab space and noise reduction.

STEEL BULKHEADS

Steel bulkheads separate the driver compartment from the cargo area for superior protection against shifting or moving cargo. The center section of the cargo van partition can be converted to a locking swing door. A large area with pre-punched mounting holes makes it easy to mount work van accessories. Compliant to FMVSS safety standards for cargo vans.

CAB/CARGO SEPARATION

Protects you from loose objects in the cargo area.

OPTIONAL SWING DOOR

Add a locking door kit for direct access to cargo area.

EXTENDED STORAGE

Allows for longer material transportation and handling.

STEEL BULKHEADS (CONT'D)

CHEVY/GMC FULL-SIZE VAN BULKHEAD

Offers improved visibility and a large area to mount accessories while providing safety and security for occupants and cargo.

SHELVING

ADJUSTABLE SHELVING

Durable, professional grade **WEATHER GUARD®** van shelving takes it to the max! Maximum customization and capacity, for maximum productivity. Shelves can be adjusted quickly without removing them from the van. Assembly and installation is faster and easier than before. Customize your storage solution with shelving accessories starting on **page 36**.

DEEP, FULLY HEMMED SHELVES

Sized for tools, equipment, and other materials.

EASY TO CUSTOMIZE

With pre-punched mounting holes for **WEATHER GUARD** accessories and cabinets.

PUNCHED SHELVES

For easier installation of accessory cabinets.

MOUNTING KITS AND SHELF COMPONENTS

Aluminum mounting rail distributes weight and provides flexible mounting locations for easy installation. Recommended but not required for installation. Mounting kits are inclusive of everything you need for full van upfit of shelves; upper rails, mounting plates and hardware for mounting shelves on both driver and passenger sides.

STEP 1 CHOOSE A MOUNTING KIT

STEP 4 MAXIMIZE SHELVES FOR THE FULL VAN

DIVIDER SETS

Keep things on the shelf in place.

MODEL	HEIGHT	WIDTH	DIVIDERS	WEIGHT
9820	2"	10"	4	2 lbs.
9825	2"	13½"	4	2 lbs.
9826	2"	16"	4	2 lbs.
9825T	6"	13½"	4	3 lbs.
9826T	6"	16"	4	4 lbs.

SHELF CENTER SUPPORT

Increase shelf load capacity with a set of center supports. One support included with each 60" wide shelf set.

MODEL	HEIGHT	WIDTH	DEPTH	WEIGHT
9740-3-01	44"	1.2"	1.2"	9 lbs.
9760-3-01	60"	1.2"	1.2"	9 lbs.

- Unique 4-way stop combines mounting straps with steel brackets to resist front-to-back and side-to-side movement when driving
- Secure installation — extruded aluminum upper mounting rail and steel brackets spread shelf load across van wall
- Easily position and install shelves with patent-pending twist-in plate mounting system
- Open Floor Mounting — no floor rail to interfere with storing wide or bulky items under the bottom shelf
- Compatible with OEM wall liners

FOLDING SHELVES

When the job demands every inch of your van, **WEATHER GUARD®** folding shelves deliver. Hauling long, bulky packages? Removable endcaps let you connect two shelves into one long, uninterrupted surface. Need room for large loads like pallets and appliances? Flip the shelves up to open up your van's floor space. Crafted from lightweight, rust-free aluminum, these shelves are tough enough to carry up to 300 pounds per shelf – yet easy to operate with just one hand. Designed to fit standard, high-roof, and super-high-roof vans, they install fast with assembly in under 15 minutes, so you can get on the road and back to work.

FOLDING SHELVES

**BRITE WHITE
ARMOR TUF® FINISH**

Helps lighten up dark van spaces

ONE-HANDED OPERATION

Makes it easy to adapt for your needs

▲ Model 9560-3-01

REMOVABLE END CAPS

Allow for a continuous shelf option for delivery vans

CONVERTIBLE

Customers can maximize van space, but easier to install

FLEXIBLE

*Works with **WEATHER GUARD®** mounting rail systems so your customers can mix and match with static shelves*

FAST ASSEMBLY

Assembles in less than 15 minutes

FLOOR STORAGE — PACK RAT® TOOL DRAWER

BUILT BIGGER AND BETTER.

The all-new **WEATHER GUARD®** is more than a drawer system, it's a fleet-ready workhorse. Now also available in 60" and 72" lengths, **PACK RAT®** spans wheel well to wheel well, giving you maximum storage without sacrificing bed space. Inside, configurable dividers let you organize tools your way - both horizontally and vertically. An integrated handle makes one-handed access fast and easy, even with gloves on. And the upgraded 1 KEY Ultralock system means every box on your truck or in your fleet opens with the same key. That's fewer delays, tighter security, and total key control. Built with reinforced steel and rated to handle 425 lbs, **PACK RAT®** in the drawer and 2,000 lbs. up top, Pack Rat is ready for whatever the job throws at it.

ROOF RACKS

EZGLIDE2™ DROP DOWN LADDER RACK

The **WEATHER GUARD® EZGLIDE2** is designed to make getting ladders on and off your van almost effortless. This superior multi-use ladder rack for vans offers secure, safe storage for ladders, including extension ladders and step ladders, along with other cargo van accessories and work van equipment. With a superior design, the rack is the easiest and safest drop-down ladder rack system, reducing worker fatigue and injuries so that you can get the job done quickly and safely. Featuring lightweight construction, this option allows you to get the impressive van roof rack storage solution you require without weighing down your van. Built with a durable aluminum frame, the ladder rack keeps rust at bay, offering a professional appearance and long-lasting reliability. It comes with a Brite White ARMOR TUF® Powder Coat finish for undeniable durability.

INCREASED PRODUCTIVITY

Get ladders off your van on the job faster and reduce worker fatigue and injuries

LIGHTEST WEIGHT

Drop-down ladder rack available. Maximize fuel economy, maximize carrying capacity

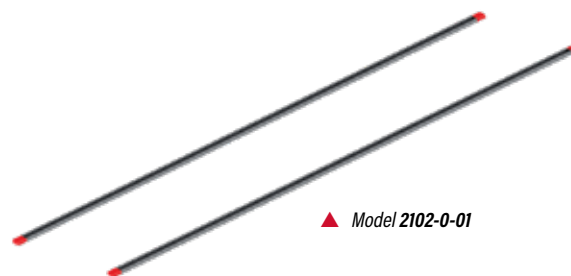

EASIEST TO OPERATE

50% less effort to operate than competitor drop-down ladder racks, reducing strain on the operator

QUICK CLAMP ALUMINUM RACKS — GUTTER MOUNTED

The Quick Clamp Van Rack makes loading your ladder fast, easy, and secure—no second set of hands needed. Just hook the front, swing it up, and lock it down with our gas-spring assisted clamps. Dual-side access on full-size vans keeps you moving from any angle. Built from rugged aluminum to handle daily use without slowing you down.

LONG LASTING DESIGN

Utilizing a 70" extruded aluminum rail and stainless steel hardware. Designed for use with **WEATHER GUARD®** mounting channel kits or gutter clamps. Gas springs with internal brass bushings prevent strip-out

SIGNATURE RED TIPS

Show the world that you work with the highest quality equipment available

ANTI-WEAR PROTECTION

On clamps helps protect ladders during transport

LADDER HOOKS

Extended and angled outward for easier ladder loading in tight places

Model 234-3-01

Works with model **234-3-01** Quick Clamp Racks to accommodate short ladders and provide additional support

QUICK CLAMP

Patented Quick Clamp Rack clamping mechanism can be locked with a padlock for security.

VERSATILITY

Mounts with either **WEATHER GUARD®** rail kits or directly mounts to gutters on select vans.

ADDITIONAL SUPPORT

Center mounting leg provides additional support and stability.

QUICK CLAMP FOR GUTTER MOUNTED VANS

MODEL	DETAILS	WEIGHT
234-3-01	Dual Clamp Rack (street side/curb side)	76 lbs.

Ford E-Series, Chevy Express, & GMC Savana do not require a mounting channel kit

ACCESSORY CROSS MEMBER FOR GUTTER MOUNTED VANS

MODEL	DETAILS	WEIGHT
233-3-01	Fits Models 234-3-01, 236-3-01	21 lbs.

SAFARI ALUMINUM RACKS — FULL-SIZE VANS

WEATHER GUARD® Safari Racks are van racks designed to provide the customized, secure roof storage that you require. Excellent for hauling all types of materials, including work van equipment, cargo van accessories, and ladders, the unique oval rail design of the Safari Rack easily accommodates 5-foot-wide loads and distributes the weight evenly over eight cross members to protect the roof of the van. Easily haul the tools and van equipment you need to work sites without damaging the accessories or your van, all while ensuring you arrive prepared. Built for long-term durability, you can rely on the security these roof racks offer.

LOAD ASSIST ROLLER BAR

Protects the vehicle while simplifying loading and unloading of ladders and materials

ADJUSTABLE LADDER STOPS & TIE DOWN POINTS

Enables user to setup rack in most efficient and effective way for their use

ALUMINUM CONSTRUCTION

Corrosion-resistant aluminum design provides protection in harsh environments

SAFARI ALUMINUM RACKS — FULL-SIZE VANS

Quick clamp aluminum racks engineered to fit full size vans. Not recommended for vans with roof heights above 84".

SAFARI STEEL RACK — FULL-SIZE VANS

Excellent for hauling all types of materials, the Safari Rack easily accommodates 4-foot wide loads and distributes the weight evenly over eight cross members to protect the roof of the van. Fits GMC Savana, Chevy Express, Ford E-Series only.

FRONT AND REAR CROSS MEMBERS

Extend over the ends of the van for protection when loading ladders and other long materials

ANTI-WEAR PROTECTION

On cross members helps protect ladders and building materials during transport

CROSS MEMBERS

Are constructed of 13-gauge, 1¼" x 1¼" square steel tubing and spread the load evenly to protect long, fragile materials

AIR FOIL

Eliminates wind noise and mounts to the front of the cross member

STAINLESS STEEL MOUNTING BRACKETS

Are extra wide for superior attachment strength to the gutter

HOOK AND LOOP STRAPS

Assist in securing your ladder for transport

SAFARI RACK

Works with model 234-3-03 and 236-3-03 Quick Clamp Racks to accommodate short ladders and provide additional support.
