HARD HAT DUMP BODY

Exclusive to Zoresco Equipment Company, the Rugby Z-Spec dump body is already recognized as one of the best dump bodies on the road today. Based on user feedback and recommendations, the Hard Hat Package adds more value to your investment and makes you even more productive on the job site; with an increased body weight of less than 100 pounds, it is the smartest way to configure a dump body.

Value and Benefits

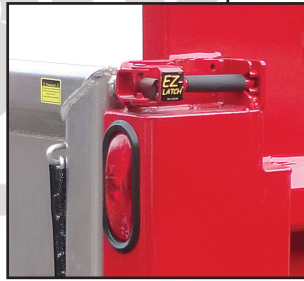

- Easy, one-person operation of aluminum tailgate; 132 pounds lighter than a steel tailgate
- Reinforced body for hauling heavier loads
- Steel floor provides greater capacity and longer life-of-body
- Integrated tarp rail increases versatility and usefulness of body
